EXPERIENCE

CharityStack, *Strategy Intern*

May 2026 - Present

- Supported strategy and revenue forecasting for a fintech platform serving nonprofit organizations
- Identified growth opportunities and customer needs by analyzing nonprofit fundraising workflows, platform usage trends and donor engagement data to help improve product strategy and client engagement
- Collaborated to improve user experience across donation tools, contributing to a 35% improvement in usability

BCS Free Health Clinic, *Human Resources Lead*

January 2026 – Present

- Supported scheduling, processing, and onboarding for 30+ new members by organizing volunteer information, identifying workflow gaps, and helping create more consistent processes for new volunteer intake and placement
- Helped transfer 500+ volunteer records and operational files from into a new automated platform, improving data organization, reducing manual tracking, and making onboarding workflows more consistent

Texas A&M Department of Educational Psychology, *Research Assistant*

October 2025 – March 2026

- Support research exploring how to improve instructional tools and learning outcomes for dual-language learners
- Assist with data cleaning, organization, and coding to ensure research accuracy and accessibility for researchers
- Improved technological efficiency by automating outreach workflows with Python, increasing efficiency by 20%

INFOQUEST Solutions, *Web Development Intern*

May 2025 – August 2025

- Re-engineered the firm's e-learning platform using Course Creator 360 by redesigning content structure, improving user flow, and standardizing course workflows, resulting in a 40% reduction in course upload effort
- Developed and executed an SEO improvement plan through keyword research, on-page optimization, and while also establishing a consistent marketing schedule and designing diverse social media graphics

LEADERSHIP & ACTIVITIES

Aggie Amal, *President, Co-Founder*

May 2025 – Present

- Founded and led Amal, defining the organization's mission and strategic priorities while owning end-to-end planning of mentorship programs and career fairs; directed logistics to successfully engage 200+ attendees
- Drove brand strategy and content leadership by setting the creative vision, building a repeatable content engine, and overseeing social platforms, resulting in audience growth and 4K+ average engagements per post

TASK Consulting, *Strategy Consultant, Team Lead*

August 2024 – Present

- Developed financial forecasting models incorporating product seasonality and demand trends, while leveraging market research and performance analysis to drive revenue growth across four businesses
- Led a 7-member consulting team in delivering an organizational improvement solution for a local business
- Served as the primary point of contact for the client, assigning and managing workstreams, mentoring team members, and ensuring the delivery of high-quality, actionable recommendations on schedule for clients

Alvarez & Marsal Case Competition, *1st Place Winner*

April 2026

- Conducted in-depth financial and market analysis (profit margins, cost structures, consumer demand) to develop a global market entry strategy for a sustainable brand; 1st place out of 40+ teams and 100+ participants

SKILLS

- Technical: AWS Cloud Practitioner, Python, HTML, SQL, Java, C#, Advanced Microsoft Office Suite and Adobe
- Fluent in English, Hindi, Urdu, Arabic; currently pursuing proficiency in Punjabi and Spanish
